Subject: O&G comments from Ute Tribe

Hi there,

Hope you are all doing well. I know you are busy digging through comments on the national rules, however, I am wondering if you could let us know if you received any comments from the Ute Tribe. We have just scheduled a consultation with them on 12/17 on the U&O FIP and the Deseret permit. It would be good for us to be aware of any comments that may have submitted on the national rules in advance of that meeting.

Thanks,

Dee
